CITY COUNCIL COMMITTEES AND AGENDAS

Housing And Community Affairs

The Housing and Community Affairs (HCA) committee considers recommendations, financing, and policies that promote affordable housing and neighborhood revitalization in Houston. The committee oversees the Housing and Community Development Department (HCDD), which administers over \$100 million annually in neighborhood parks, multi-family, and single-family programs. Chaired by Council Member Tiffany D. Thomas, the committee also oversees homeless initiatives and veteran's affairs. Meetings for the Housing and Community Affairs Committee will occur on the third Tuesday of each month at 10:00 a.m. unless noted otherwise. All meetings are open and accessible to the public and will include an opportunity for public comment related to the items presented during that meeting.
